No, Bob, I haven't heard anything about this. I've shared with Leslie and others – will let you know what I learn.

Looping in Leslie.

Subject: RE: Interagency Biotechnology Working Group Standing Meeting

Administrator Pruitt got a letter from Tim Hutchinson, a former member of Congress, I believe, and now with a DC area Law Firm, it appears, asking that he meet with Oxitec, AND, that EPA take part in an interagency task force headed by John Tegeris (HHS, Office of Secretary) to move the GE Mosquito technology to field trials ASAP. Tegeris seems to head up something called the "Tech Watch" program.

Do you know who this guy is and anything about this apparent initiative?

Bob
